This year's ASCE Hawaii Section YMF PE Refresher Course will cover the "breadth-and-depth format" of the civil engineering professional examination. This session's lecturers are:

- |                             |                     |                                                  |
|-----------------------------|---------------------|--------------------------------------------------|
| ● Structural Engineering    | Mr. Brian Enomoto   | Iwamoto & Associates, LLC                        |
| ● Highway Geometry          | Mr. Randall Urasaki | Parsons Brinckerhoff                             |
| ● Traffic Engineering       | Mr. Wayne Yoshioka  | Parsons Brinckerhoff                             |
| ● Construction Engineering  | TBD                 | -                                                |
| ● Geotechnical Engineering  | TBD                 | -                                                |
| ● Environmental Engineering | Mr. Raj Rath        | C&C of Honolulu, Dept of Design and Construction |
| ● Water Resources           | Mr. Raj Rath        | C&C of Honolulu, Dept of Design and Construction |

In addition to copies of the lecture notes for each subject and study supplies, class attendees will receive a copy of Michael R. Lindeburg's Civil Engineering Reference Manual for the PE Exam, 10th edition. Attendees will also have the option of ordering the following reference materials at the listed discounted prices. Please inquire about other available reference materials that are not listed.
